Deuteronomy 31:6

TIME WITH GOD & FAMILY

This devotion is a tool that we put in the hands of families with the goal of families spending 15 minutes together 3 times a week using this devotion to reinforce what we are teaching at The Lab Elementary. We pray that God will bless you together as a family as you look in to His word together.

DAY 1

Read Joshua 3:1-17

What do you imagined it looked like when God stopped the flow of the Jordan River? How does this passage show that the Israelites trusted in God? What are ways that you have shown that you trust in God?

DID YOU KNOW?

The first generation of Israelites (the ones who came out of Egypt) did not live to see the Promised Land because of their disbelief in God's faithfulness.

DAY 2

Read Joshua 6:1-13

What do you think the Israelites thought when God told them to march around the city? Why did this take a lot of trust in God's faithfulness? Is there something you are facing right now that is causing you to trust in God's faithfulness?

DAY 3

Read Joshua 6:14-20

What happened after the seventh day of marching and everyone shouting? How do you know God is always faithful? What helps you to trust God?

CONNECT AS A FAMILY

Gather your family and read Joshua 6:1-20. Tell them they need to listen carefully because when you're done reading, you're going to take turns retelling this part of The Big God Story. After you've read the passage, let the youngest family member go first, recalling as many things as they remember. For example, they might remember that God directed the Israelites to march around the city seven times. Then encourage the other family members to help recount all the great things God did. Share with your children that God made the walls fall, not the marching or shouting. These actions were a act of faith and obedience to God. Pray together, thanking God for always being faithful to us and answering our prayers in His way and timing.

BLESSING

My prayer for you this week is you know that God loves you very much. May you see His faithfulness in your life.

Prayerfully,

Pastor Austin
